My impression of these characters is one of a "high" degree ... I am indebted to them for their timely help and generous co-operation in the editing of this year's "Mac."

Foreword

Material, as well as immaterial things make for an education. Student life is based on this and other elements which may be generalized as follows: ... application of that education, maturation under the stress of many responsibilities, academic and extra-curricular activity participation, exuberance in the success of good times, and a length of aspiration in the midst of trying times.

We of the 1968 "Mac" staff in light of acknowledging these elements of student life, set by the teachers who guide us, give you this book. It serves its purpose only if it reveals to you, too, the dimensions of student life.

R. G. Ames

Dedication

Where have all the young men gone? To their destinies, that we know. But to start them out, to guide them and lead them, to watch over them as they develop ideals in life—this must be the work of a person most patient, understanding, and devoted. The lengthy halls hold dark, obscure obstacles tempting the student astray. An individual of the faculty of our school establishment, we think, has forwarded outstanding efforts in the steering of student life farthest from these temptations. Thus rewarding her loyal efforts, we would like to announce as the 1968 "Mac" dedicatee, Mrs. Florence Schaff.

In Memoriam

They shall not grow old, as we that are left grow old
Age shall not weary them, nor the years condemn,
At the going down of the sun, and in the morning,
We will remember them.

Lawrence Binyon

Patrick McGrady

1921-1967

Mr. McGrady was Band Instructor at our school from 1954 to 1967.

Randall Barnhart

1950-1964

Randy Barnhart would have rounded out our graduating class as one of its leaders and builders, but was unfortunately drowned while swimming. A day of joy may mask unforeseen tragedy eventually diminishing human value in body but not in mind.

Candid

A remodeled library was added as a new attraction to the student eyes of McGraw.

New Establishments

Here is our new shop consolidated from two smaller elementary rooms.

A new, sharp-looking science lab was installed over the summer.

Adjoining the lab, a new science lecture room was appropriated.

Here is the new science teacher to accommodate our lecture room. A good combination.

A brand new Elementary School was also constructed over the 67 summer. It is now under operation and fully self-sufficient from its mother high school building.

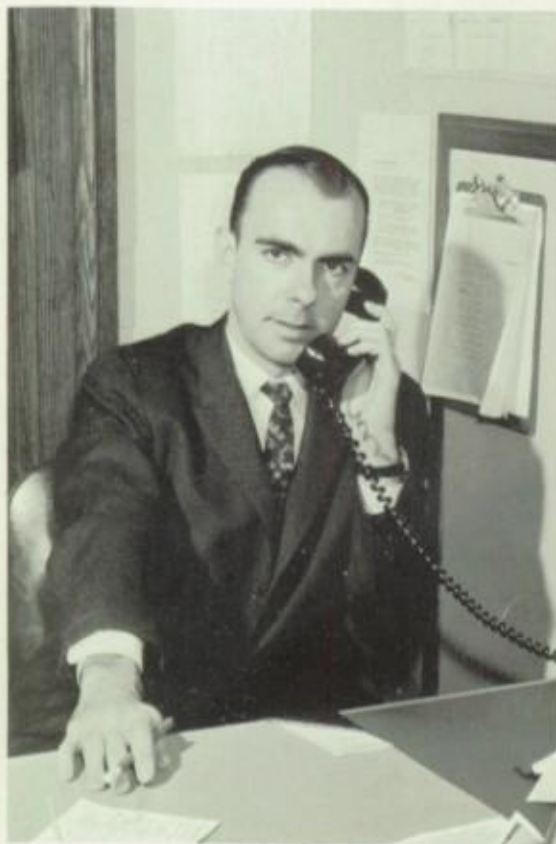

How could a school year be complete without new lockers.

ADMINISTRATION

TO THE CLASS OF 1968

Step by step you have marched along the highway of education. The parade now pauses for your high school graduation. After this pause, many of you will join another line of march to higher education. Others will begin a new life in business and industry.

TO ALL: Congratulations and a command to march on to better things ahead,

It's Academic

During the first semester of the year, Channel 9 of Syracuse invited McGraw Central School to participate in the student program "It's Academic". Fifteen seniors were taken to the station for tryouts and from these students a team of three was chosen with three alternates. The program was taped on January 13, 1968 and presented January 20, 1968. There were twenty-five students and parents who attended for a cheering section. They must have been helpful because McGraw Central School came in second after the winner Lansing Central School.

Mr. Carl Eilenberg was the Master of Ceremonies and Mrs. Hopkins was the Faculty Advisor from our school.

Foreign Exchange Student

This academic year was the first year that McGraw has had a foreign exchange student, his name is Marcelo Sanchez Quintanilha. Marcelo stayed in McGraw for a period of ten weeks in which he celebrated Christmas and his sixteenth birthday. This was Marcelo's first trip outside of his homeland, Brazil. His parents financed the trip so Marcelo could see the ways of people different from his own countrymen. Marcelo liked the United States, especially our schooling. He commented that our teachers are more lenient than those of the private school he attended in his home town of Cabo Forio. Marcelo returned to Brazil on March 12, with many new friends and an experience he will remember the rest of his life.

A TRIBUTE TO THE SENIORS ('67) BY THE JUNIORS ('68)

In the shade of the old canvas sheet,
Where a whole bunch of water did leak,
Every time that it rained
There the Seniors complained
Hoping ceilings would hold one more week.
All your worries are gone, Senior Class—
'Cause they're fixing the building at last.
Next year Seniors won't face such a dangerous
place,
In the shade of the old canvas sheet.

McGraw fielded a very fine soccer team this year, winning ten of sixteen games and tying one. The Eagles finished first in the Cortland County League, beating Truxton 5-2 in the final league game of the season. It was the first league championship since 1964.

In sectional play McGraw upended undefeated Downsville 3-1, before bowing to powerful Stamford in the Section IV finals 7-1. McGraw had not been in Sectional finals since 1951.

Dick Ames led all scorers with 15 goals and 5 assists. Dick is a senior along with Bill Schaefer, Paul Gilbert, Walt Heim, Dave Lynch, and Jim Sloan. These players will be missed next year. However, with ten experienced juniors returning, next season could also be a very successful one.

Our Varsity basketball team compiled another outstanding season this year by winning 16 and losing only 2. They also captured the first McGraw Christmas Tournament by defeating a strong LaFayette team in the finals. Bill Schaefer was voted M.V.P. of the tourney and Tom Moore was named to the all-star team.

Excellent playmaking enabled this fine team to score a record 78.2 points per game while holding the opponents to a mere 54.1 points per game. The strong combination of rebounding, passing, shooting and defense, plus an unending desire to win, ranks this varsity team among McGraw's finest.

For the third consecutive year, McGraw's baseball team captured the Cortland County League baseball championship. During this period, the longest winning streak in our school's history was established—28 consecutive wins—before losing our final game of the season.

The championship team was led by M.V.P. Jim Macomber both on the pitching mound (8-1) and at the plate (.314). He was strongly supported by Ed Harris, George Mowry, Chris Allen, Marvin Christopher and Tom Moore who chipped in with key offensive and defensive plays on several occasions.

7th and 8th Grade Soccer

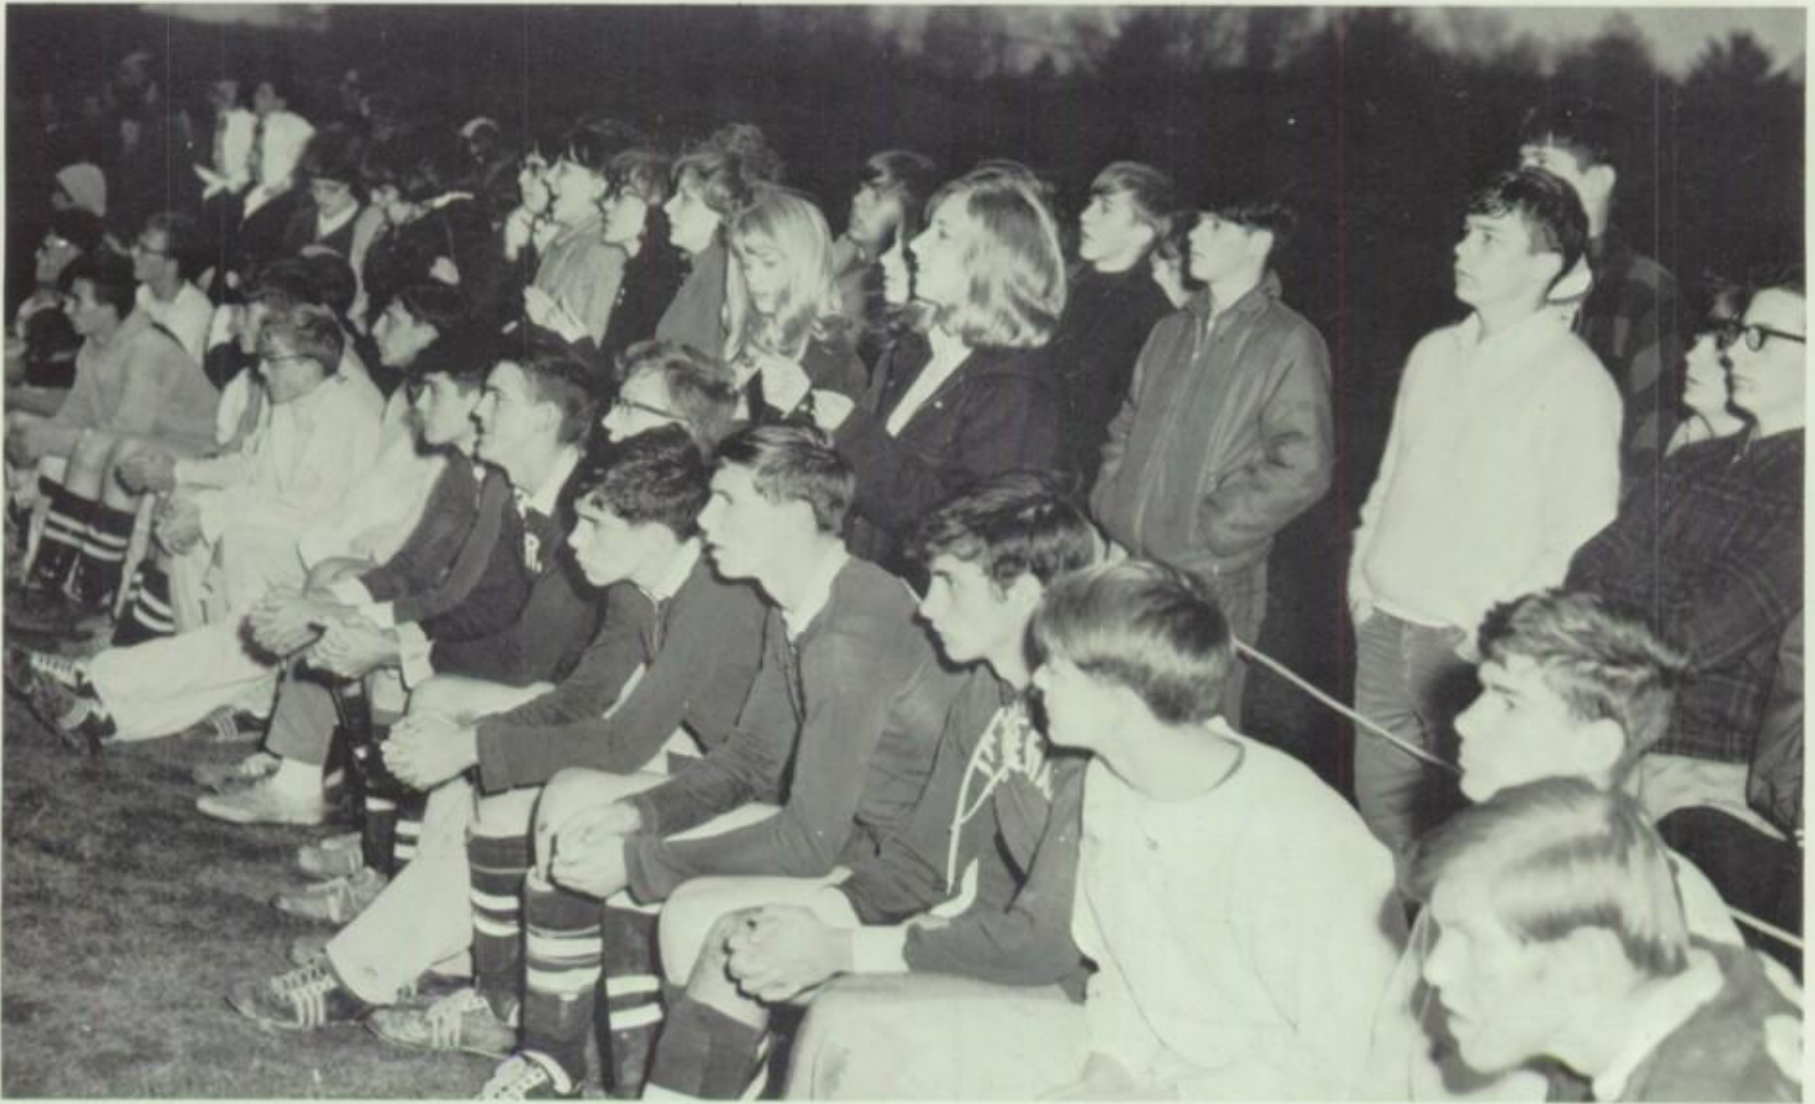

First Row Left to Right: Don McGrady, Dave Honour, Michael Mott, Allen McLean, Dennis Macomber, Richard Fuller, Gary Sprouse, Robert Preston, Terry Gilbert, Kevin King, Tom Bilodeau. Second Row: Edward Hallett, Butch Abbatiello, Gerald Tracy, Steve Salka, Rick Mowry, James Burk, Kim Miller, Pat Genovese, John Bennett. Third Row: Kevin Franklin, Doug Welsh, Roger Williams, Robert White, Dana Quattro, Michael Reif. Fourth Row: Ronald Hartley, John Parsons, John Soshinsky, Richard Baker, Dennis Mulcahy, John Rutan, Richard Horner, Gordon Wilson, Jay Cobb. Fifth Row: Martin Macomber, Theodore Merihew, Ron Schaefer, Grant Fuller, Ronald Barrows, Robert Utecht, Scott Zirbel, James Mulcahy, Brian Eaton, Coach Mr. Bosch.

The 1967 Junior High Soccer Team revealed the players who will make the JV and Varsity squads in the future. Of course, not all will be able to make the grade but it takes the best to make the best team. The Junior High team witnessed the footwork of the Campus School several times. The McGraw booters showed good promise and should prove to be a challenge for the coaches to pick their squads from and for their opponents to play against.

Hail to thee, our noble Tri-Bar

Even though we don't have an Alma Mater, School Is Never Out at SMITH-CORONA.

If you're about to go through the regent's wringer, you may not appreciate the never out bit.

Once you're in the world of work and discover that advancement equates with self-development, you'll find the School Is Never Out philosophy reassuring.

So, after high school . . . after college . . . after thinking deeply about yourself . . . talk with us about joining the class of '68, '69, '70, '71, '72. Our seniors often graduate with a 40 year service pin and keep on going to school . . . just for kicks.
